## Petition to get a new pool for Shaw and Crompton

Howard Sykes and your local Liberal Democrat Focus team have worked tirelessly against the closure of Shaw Baths. Labour controlled Oldham Council has continually ignored the public's outrage at this proposal, by hiding behind their sham of a "Leisure Review".

Despite the Liberal Democrats highlighting a number of sites within Shaw and Crompton, Labour have chosen one in Royton Town Centre. Your Liberal Democrat team have secured a pledge that Shaw Baths will not close until a new one is opened, but this is not nearly good enough!

We now need your help even more, if we are to safeguard Shaw Baths.

So please sign the petition below and return it to Howard at the address overleaf or alternatively fill it in online at [www.saveshawbaths.co.uk](http://www.saveshawbaths.co.uk)

## Save Shaw Baths

We, the undersigned, urge the Labour controlled Oldham Council to reconsider its proposal to close Shaw Baths and replace it with a new pool in Royton Town Centre. We also request the Council look again at suitable sites within Shaw and Crompton and use one of those for the replacement pool.
