Dear Sir/Madam

On behalf of the Local Authority we will be carrying out footway works & carriageway surfacing works on the above-named roads.

With your co-operation removing the cars we will be able to complete the surfacing works on time. Works are all weather permitting.

At no time must anybody walk across the carriageway whilst the works are in progress. Will all residents take extra care and make themselves aware of all signs, cones and barriers. Would parents please ensure that children are kept clear of the Site and Machinery during the works and I would advise all residents to check the soles of shoes for Bitumen or loose chippings before entering one's house.

Pedestrian access to properties will be maintained at all times and vehicular access will be possible outside the hours of work.

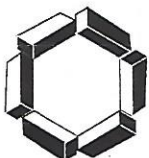

Every effort will be made to expedite the work and minimise the inconvenience to residents. It is inevitable that some disruption will be caused and I would thank you for your co-operation during these essential road works.

Yours faithfully

Shane Gallagher
