

Your Christmas bin collections

Monday 25 December (Christmas Day) and Monday 1 January (New Year's Day) there will be no bin collections.

Alternative collections are as follows:

Bins due on Monday 25 December will be collected on Saturday 30 December instead including green bins and food caddies.

Bins due on Monday 1 January will be collected on Saturday 6 January instead apart from green bins and food caddies which will be collected on Monday 8 January as normal.

If you are unsure which bin would have been due on 25 December and 1 January normally, please check your collection calendar or use the online post code checker at www.oldham.gov.uk/waste

Top tips to help manage your rubbish and recycling over Christmas

Christmas tree recycling

Put it in your green bin – just chop it into small pieces, remove the wooden block from the base of the tree as this is too big to be composted and take off any lights and decorations.

Take it to your local tip or drop it off at any of these parks between 22 December and 28 January

- Higher Memorial Park (car park), Joseph Street, Failsworth (open dawn til dusk)
- Royton Park (car park) off Bleasdale Street, Royton. Anytime access.
- Werneth Park (car park) off Frederick Street, Werneth (open dawn til dusk)
- Churchill Playing Fields (car park), Wellington Road, Greenfield. Anytime access.

If you have things that are too big to fit in your bin, you can take them to your local tip for free, arrange for them to be collected by us by calling 0161 770 6644 or visit www.oldham.gov.uk/waste for more ideas about where you can donate swap or sell them.

Extra rubbish and recycling over the Christmas period

We will collect extra recycling over the Christmas period as long as it is neatly presented and clearly labelled as recycling.

If you would prefer not to wait, you can take extra recycling or any extra general rubbish to your local tip.

The main tip in Oldham is Arkwright Street, Oldham, OL9 9LZ or you can visit www.recycleforgreatermanchester.com to find your nearest.
