

Vulnerable Adult Missing Persons Profile

This form is intended to assist care workers, partner agencies and the police if the person it refers to goes missing.

Please fill in these sections and keep it in a safe place. If possible please complete the electronic version of the form which is available to download from the GMP website.

Please keep the form in a safe place where it can easily be found. It will need to be located quickly at any time of the day, to begin the initial searches.

It would be helpful to make several copies that can be left with care workers, neighbours or relatives. Should the person relocate the form will need to go with them and be updated accordingly.

When completed the form will contain personal information and must be stored safely in accordance with data protection. However if the person goes missing sharing the information on the form with GMP in order to protect and safeguard the person will become necessary and justified.

For more information please visit the website.
